Diversify – Available through <https://orgsync.com/home/>

Focused on furthering the education of our members as well as the community in regards to the inequalities and issues that the LGBT community faces. We are open to any and all Davenport students regardless of who they are or who they love. Everyone is treated equally and will be embraced with open arms, as well as heard with open ears and open minds. Through various discussions, activities, games, and small talk within our group, we become more than just a group of students, more than an organization, we become a community.
