

Find Recruiting Success at Davenport University

It all starts with Handshake: DU's centralized platform for employers to connect with college and university talent and career services cross the state and country.

The Numbers:

68%

of currently enrolled DU students actively utilize Handshake to connect with employers

3,000+

applications are sent by students & alumni on Handshake annually

2,000+

Davenport students & alumni have viewable resumes in Handshake

Recruiting Opportunities on Handshake:

Post jobs & internships

- Post FT, PT, internship, seasonal and temp jobs. Applications can be reviewed on Handshake or through your company's recruitment system.

Post & promote company recruiting events

- Post and promote your recruiting events on Handshake. We will promote them to our students to support your recruiting goals.

Review public resumes and message student directly

- We coach our talent to make their resume public and build their Handshake profile for you to view. Employers can search, view and message candidates there.

Participate in or suggest a forum*

- Forums educate students on industries and career options in all verticals and allow them to learn about the companies in those segments. DU hosts multiple forums each year, in subjects including accounting, insurance, laboratory sciences, nursing, supply chain industries and technology.

Attend a Davenport University Career Fair*

- With two annual career fairs, employers are able to recruit for all of their open positions in one place. Our career fairs are in-person and virtual.

*Indicates a fee-based recruiting option

Additional Recruiting Opportunities:

Visit Davenport University with on-campus tabling

- Set up a table on campus and speak with students about your organization and your open positions. [Contact Career Coach to coordinate.](#)

Utilize students for business and technology project consulting

- Work with a cross-functional student team to complete meaningful project work for your organization. Under faculty supervision, students consult with you to deliver projects that meet your business needs.

Host an off-campus work study

- Nonprofit organizations can meet their staffing needs by becoming an active off-campus work-study site. [Contact Shelley Lowe for information.](#)

Sponsor Davenport University's Annual Career Guide*

- The Davenport University Career Guide is distributed to all current and prospective students, faculty and staff at all campuses, as well as our partner high schools and community colleges. Employers can support student professional development at a level of sponsorship that meets their goals. Register in Handshake Fairs.

Join Michigan Career Educator and Employer Alliance (MCEEA)

- This is Michigan's best way for employers to connect, network and build a strategic recruiting relationship with colleges and universities in your market. Get started at [MCEEA.org](#)

Network with the Alumni

- Help a Davenport University student grow personally and professionally by becoming a mentor through the Alumni Mentor Network

Develop and Advance your Current Employees

- **IPEX:** Create customized training and materials to meet your organization's unique needs. Your employees can also enroll in our pre-developed professional development courses.
- **Credit for Prior Learning (PLA):** Your employee's experience may be used towards DU degrees or certificates. Contact [Admissions](#) for more information on how to get started.

**Indicates a fee-based recruiting option*
