Helpful Information:

External Room Reservation Process

Thank you for considering Davenport for your room reservation needs! After reviewing this guide and getting an idea of the type of space you would like (i.e. meeting space, classroom, and/or auditorium) and the setup you would like (setup types are included with the room rental rates and capacity information above) please use the following link: <https://my.davenport.edu/dining/catering/external-rooms-reservations>

The above link will take you to our External Room Reservation application that will gather the information for your reservation requests. This does not guarantee that space is available. After completing this application the Welcome Desk will respond within 3 business days (Monday-Friday) with availability, event pricing, and to begin the reservation process.

Davenport University License Agreement

Davenport requires all external room reservations to sign a Facility License Agreement before confirming the reservation. This document will be provided to you once your application has been reviewed, availability has been verified, and the contract has been created. After Davenport issues the contract via email you will have 5 business days to return the contract which must be reviewed, printed, signed, and scanned/emailed back to studentservices@davenport.edu.

Deposit Information

Per the license agreement a 25% non-refundable will be due to hold your reservation. We will create a tentative hold on the space upon receiving the signed license agreement to allow time to receive the deposit. We will need to receive the deposit by check or card within 10 business days of sending the Deposit Due email to hold your reservation. After those 10 days if we do not receive the deposit the hold will be released and the space will be available for other groups to reserve. Once we receive the deposit you will receive a confirmation email with additional steps and confirmation of the event being scheduled.

Deposit by Check: Please make checks payable to Davenport University and include the event name and reservation # (which will be provided to you in the Deposit Due email) in the memo section of the check. Checks can be mailed to

Davenport University
ATTN: Welcome Desk
6191 Kraft Ave SE
Grand Rapids, MI 49512

Please be sure to send a reply to your Deposit Due email indicating you have sent the check so that we can be sure to notify you and the billing department when it arrives.

Deposit by Card: Please reply to your Deposit Due email indicating you would like to pay by card. This will need to be done through our billing department and we will need to make sure they have the information they need to process the payment.

Catering Information

Davenport University uses Creative Dining as its exclusive caterer. To view the most updated menu please use the following link <https://my.davenport.edu/dining/catering> and see Step 3. You can also place your order using the link below. Please contact Catering as soon as possible as this can impact the billing process. If you have any questions please direct them to:

Savannah Henlin

Phone: 616-871-6751

Email: shenlin@creativedining.com

Parking on Campus

For event guests who are not Davenport students, faculty, or staff a temporary parking pass is required for all vehicles attending your event. These will be sent to the person completing the room reservation application and can be printed, copied, and can also be forwarded for guests to print on their own. We also have spare temporary parking passes available in the DeVos & Van Andel Academic Building at the Welcome Desk if someone forgets it; please arrive early if you forget your pass so that you have enough time to go out and place it on their vehicle to avoid the potential of being ticketed.

Technology

For those events that require any facilitators or speakers to have access to the Davenport provided computer at the work stations or for events requiring guest wi-fi access please make sure to select yes on the room reservation application when asked and we will be happy to contact IT to get that information generated and provide it to you as soon as IT has processed the request. Please note if you are reserving the Sneden Meeting Hall(s) you **MUST** bring your own laptop (if MAC you must also bring your own Apple to HDMI adapter for projection/sound).

Inclement Weather/Emergent Circumstances

If for any reason the campus is closed due to inclement weather or other emergent circumstances this would mean that any scheduled events would also be cancelled. Please check local news school closings for notices of campus closings.

Academic Priority

Please note that while we do our best to schedule reservations that need a classroom well beyond the time academic classes are assigned to their rooms there are occasions where room changes will occur and a reservation could be bumped. This would be mean we would reach out with you to go over alternate classroom or space availability.

Additional Information

Please note that we strive to provide GREAT customer service when it comes to having external groups on campus but we also are not able to accommodate every request as the student experience is our utmost priority! This does mean that certain times of the year and outside of our regular operating hours some reservations will not be possible as we do not have exclusive event staff. We appreciate your understanding and look forward to working with you!
