

Financial Skills Certificate

COLLEGE OF BUSINESS

22 CREDITS

Blend your interest in finance with your passion for customer services

Are you skilled in handling money and finances? Are you interested in a career as a bank teller, financial clerk or loan officer? Then you are a perfect candidate for Davenport University's Financial Skills Certificate program.

A Financial Skills Certificate will get you ready for a job as a bank teller or financial clerk, giving you a head start on your career. You'll gain resume-boosting recognition and finance certifications that will help you advance your career.

It will also prepare you to continue to earn an associate, bachelor's or master's degree in finance while building the knowledge and experience you need to succeed in finance both academically and professionally.

What you can do with this certificate

If you're interested in corporate finance and investment planning, a finance certificate from Davenport introduces the study and practice of basic finance principles.

A Financial Skills Certificate lays the groundwork that prepares you for advanced certification, such as a certified public accountant (CPA), chartered financial analyst (CFA), certified financial planner (CFP), certified payroll professional (CPP) and more.

Is this career right for you?

If you're organized and orderly, and enjoy working with others, you will likely excel in this field. You must be comfortable working with financial figures that represent a person's life savings or investments. You must be systematic, disciplined and have an analytic mind. You will need to be proficient in multiple software programs for financial management, products and services.
