

Nursing Programs

COLLEGE OF HEALTH PROFESSIONS

Put your passion for patient care to work.

Davenport University will help you achieve a rewarding career in the most in-demand nursing disciplines, with flexible programs at the practical nursing diploma, bachelor's degree, master's degree and post-graduate levels. Our programs develop graduates who are highly sought-after and known for their well-rounded skills.

Whether you're ready to take your first step toward becoming a licensed nurse or seeking the skills for advanced levels of clinical practice, leadership or teaching, Davenport will equip you for the job and prepare you for required certifications and licensures.

Our degree pathways turn experience and credentials into course credit, so you may be able to complete your degree in less time. We also offer high school seniors a fast-track enrollment opportunity through our High School Direct Admit program.

With no prerequisites for applying, students can be accepted into the Bachelor of Science Pre-Licensure program before they begin taking classes. Clinical courses start in your second year.

Experience the Davenport difference:

- Choose from an on-campus or online experience, depending on degree program.*
- Learn from highly credentialed faculty with current practical experience.
- Train in state-of-the-art facilities.
- Benefit from more one-on-one instructor attention with our small class sizes.

**Practical Nursing Diploma requires on-site attendance at Davenport's [Warren campus](#). Bachelor's in Nursing Pre-Licensure requires on-site attendance at our [Warren](#), [Grand Rapids](#), [Lansing](#) or [Midland](#) campus. Master's and post-graduate coursework is online with on-site clinicals.*
