

Health and Human Services Case Management

Bachelor of Science

Go places with a career in the health and human services field. Our program is the only one of its kind in Michigan. We prepare you to be an integral part of the healthcare team in multiple settings. Your degree opens doors to strong earnings and rewarding leadership. As an informed healthcare advocate, you will develop the skills needed to help people navigate the healthcare system and obtain quality care and services.

Why DU?

- Graduates of the Health and Human Services Case Management program are eligible to sit for the Case Management certification examination (without a higher-level degree or professional license) after 1-2 years of case management work experience, and the Human Services-Board Certified Practitioner examination with 350 hours of postgraduate human services work experience.
- Current students rate their satisfaction with the program at 6 out of 7.
- Health and Human Services Case Management program graduates rated their job preparation as over 4 out of 5.
- Active members of the military and veterans can further their career goals by completing this degree.
- DU graduate respondents rate this program as “exceptional” in job preparation.
- Accelerated degree completion for associate degree human services and health professionals. Advanced standing credit for professional credential/license.
- Online and on-campus class options are designed with flexibility to meet the schedule of both new and returning students.

Davenport University

- We are a private, non-profit university preparing students for a career.
- We award \$15 million in scholarships each year.
- We keep a low student-to-faculty ratio.
- We offer classes online and at campuses across Michigan.
- We are nationally respected for our curriculum and faculty.

College of Health Professions

The DU College of Health Professions prepares you for the growing opportunities within many healthcare disciplines, including nursing, health information management, occupational therapy and allied health. We focus on building essential skills for your professional advancement. Find your future with Davenport’s College of Health Professions.
