RD
LOWEST PRIVATE UNIVERSITY TUITION IN MICHIGAN

95%

OF STUDENTS RECEIVE FINANCIAL ASSISTANCE

You want to earn a degree that allows you to excel in a career and in life. But you also have the unique challenges of taking classes as an adult. For over 150 years, Davenport has focused on helping busy adults like you achieve your goals and push you to your personal best.

College of Business

- Employment guarantee for Accounting program graduates
- International Assembly for Collegiate Business Education (IACBE) accredited business programs
- Sport Management program accredited by Commission on Sports Management Accreditation (COSMA)
- Management grads pass Certified Manager credential exam at 94% rate
- Opportunities for experiential learning and internships in every program
- #1 online Management degrees (2017)

College of Technology

- Employment guarantee for Network Management & Security, Computer Science & Computer Information Systems graduates
- 100% of Technology Project Management grads report higher salary after graduation
- Designated by the National Security Agency (NSA) & Department of Homeland Security (DHS) as a National Center of Academic Excellence in Cyber Defense Education (CAE-CDE)

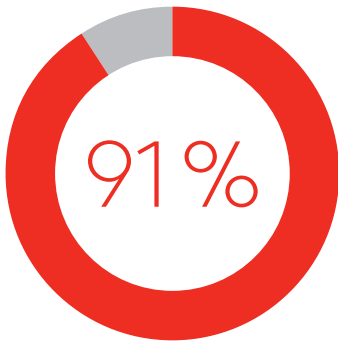

College of Health Professions

- Employment guarantee for BSN Nursing grads
- 3rd largest Health Information Management program in the U.S.
- 95% of Health Service Administration graduates report job placements in the field
- Only university in Michigan certified for Medical Case management without an RN degree

College of Arts and Sciences

- Our social work program is offered jointly with Kuyper College. Students will graduate with two degrees, one from DU and one from Kuyper
- Social work students may have international field work opportunities
- Our Biological Lab Science program has over 400 hours of hands-on lab hours
- Lab technicians are needed in numerous industries: chemical, agriculture, quality control, water treatment, medical research, food products and waste management

**More classes in your major,
less general education.**

91% OF DU GRADUATES HAVE CAREERS IN THE FIELD OF THEIR CHOICE WITHIN 6 MONTHS OF GRADUATION
