Classes on your time

At Davenport, we make it easier than ever to be a nontraditional college student and earn the degree that can launch or advance your career.

30% of all Davenport students are over the age of 30. That's because we get it — students like you lead busy lives and need flexible and convenient course delivery.

That's why Davenport offers classes at 6 locations across Michigan, including in the evening, plus an online campus that's available anywhere. And with six start dates a year, you can begin your degree at a time that works best for you.

We also provide academic credit for previous college courses, licensures and certifications, and even military experience.

An affordable education

We work hard to make a college education practical for nontraditional students. We know that you've chosen to invest in your education because you want to develop the skills and knowledge to land the career you've always hoped for. We admire that, so we do everything we can to help you afford that experience.

As a result, Davenport has one of the lowest tuition rates among all private colleges and universities in Michigan.

And with more than 250 foundational scholarships and grants created specifically for adults returning to college, Davenport makes obtaining a college education realistic. In fact, 94% of students receive a scholarship or gift aid that, unlike student loans, does not have to be repaid. Student loans and other lending options offer yet another opportunity to cover tuition.

96% of our graduates are employed within six months of graduating, which goes to show how worthwhile pursuing your degree is.

Efficient, effective career preparation

Our programs minimize classwork that isn't important to career success. It's an approach that adults returning to college especially appreciate, since it enables you to finish your degree sooner. It's also one reason 91% of our alumni recommend us.

What's more, our programs prepare you for high-paying, in-demand careers and are taught by industry experts and entrepreneurs who teach from real-world experience. Many programs are built around activity-based, experiential training, which will help you develop skills that stand out amongst others. Davenport is committed to your success, and we're able to offer a 100% employment guarantee for a growing list of programs. We are among the first in the U.S. to offer this guarantee.

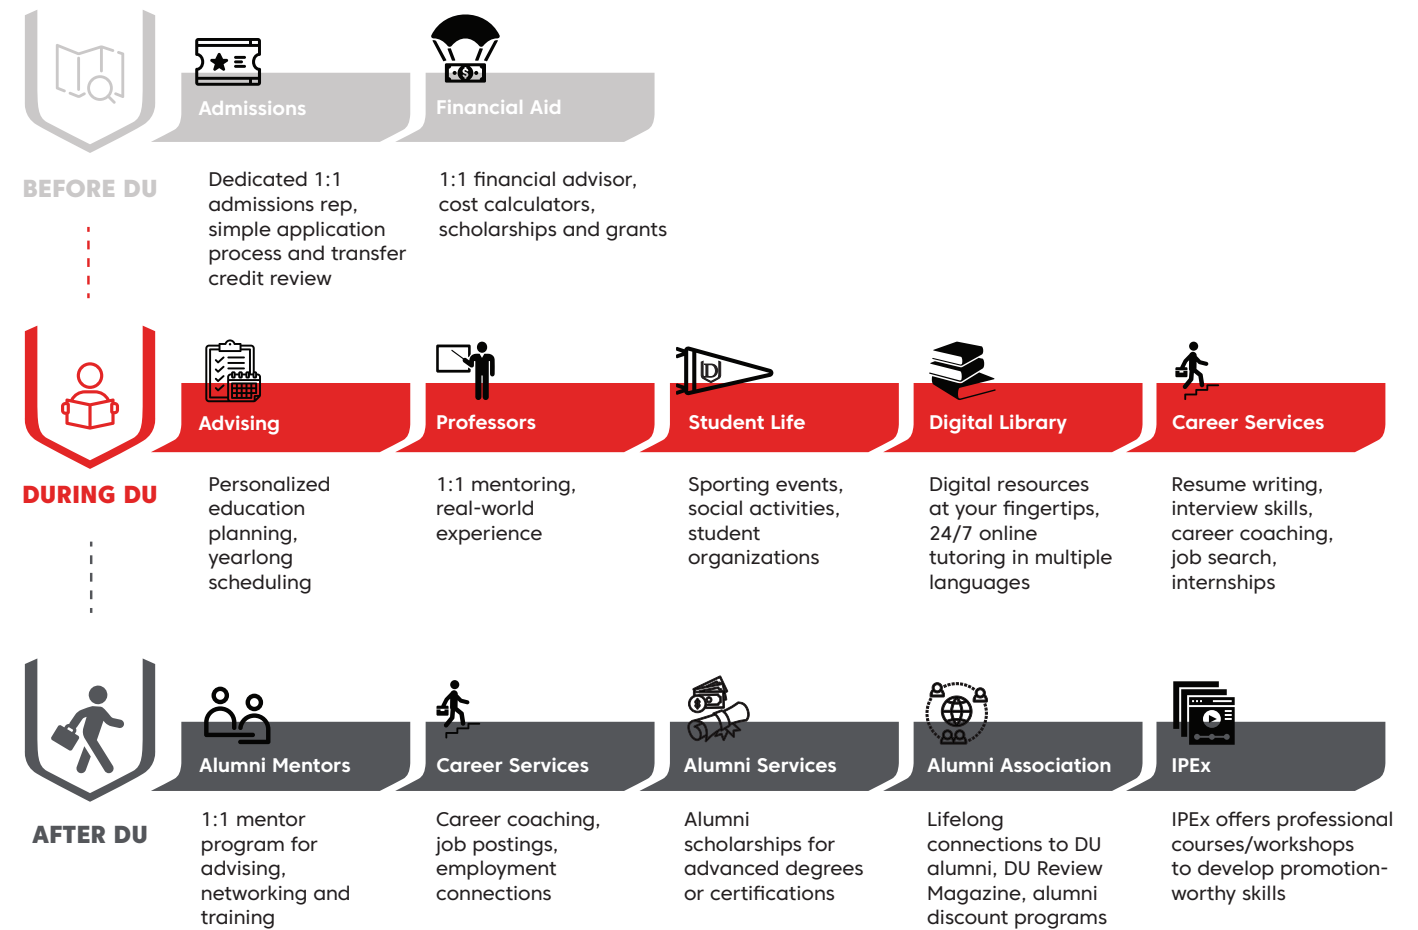

Lifelong career services

Our students and alumni are known to enter the workforce with a professional edge.

We provide resources that get you closer to launching your dream career or advancing in your chosen field. Our career services, which we offer to students and alumni for life, include assistance with resume and cover letter writing, job interview preparation and employment connections.
