Statistics Reporting for 2025

2025 Campus Hazing Transparency Report

Published: December 23, 2025

First annual update: May 18, 2026

Second annual update: TBD 2026

The following report is produced and published pursuant to the 2024 Stop Campus Hazing Act. The act, among other things, requires institutions of higher learning that participate in federal student aid programs to implement an Anti-hazing policy, provide reporting pathways and annual statistics for all hazing-related reports. All data within this report complies with the five (5) calendar year retention mandate.

Davenport University's 'Anti-hazing' policy prohibits hazing by all students, student organizations, faculty and staff.

Summary of Findings:

No incidents reported during the current reporting period (January 01, 2025- Current).
